What's in the box?

- Fame-on® 21,600mAH power bank battery
- 1x Micro USB cable, 1m length
- 1x USB-C cable, 1m length

Warning!

Read all instructions and warnings prior to using this product. Improper use of this product may result in product damage, excess heat, toxic fumes, fire or explosion, for which damages you (“Purchaser”), and not Fame-on® (“Manufacturer”) are responsible.

- Before using your Fame-on® Hand-Free battery for the first time, fully charge it (so that pressing the charge status button lights all 4 status LEDs).
- Do not store device in high-temperature environment, including heat caused by intense sunlight or other forms of heat. Do not place device in fire or other excessively hot environments.
- Be cautious of excessive drops, bumps, abrasions, or other impacts to this device. If there is any damage to the device such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use. Contact Manufacturer or dispose of it in an appropriate manner at your local battery-recycling center.
- The Fame-on® Hand-Free battery should be operated only in open-air conditions. It should not be operated in an enclosed, unventilated space such as a carrying bag, pocket or purse. Failure to follow these instructions may cause damage to the Fame-on® Hand-Free battery by overheating.
- Do not disassemble this device or attempt to re-purpose or modify it in any manner.
- Do not attempt to charge this device using any method, apparatus, or connection other than the device’s micro-USB and USB-C connectors. For questions or instructions for the various ways to charge the device refer to the illustrations in the Recharging Your Fame-on® Hand-Free Battery section of this user manual.
- Do not attempt to replace any part of this device.
- If this device is intended by Purchaser to be used by a minor, purchasing adult agrees to provide detailed instructions and warnings to any minor prior to use. Failure to do so is sole responsibility of purchaser, who agrees to indemnify Manufacturer for any unintended use/misuse by a minor.
- All products have gone through a thorough quality assurance inspection. If you find that your device is excessively hot, is emitting odor, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Manufacturer.
- Never dispose of batteries in the garbage. Always take used batteries to your local battery-recycling center.

Features

The Fame-on® Hand-Free is practical for a reason - it's coated with rubber oil making it anti-slip, it has the built-in smartphone holder, it comes generously with 2 charging cables and it carries the latest technology for fast charging. Its slim body embraces an unparalleled huge capacity; stream, play, browse longer than ever! Most importantly, it has universal compatibility, making it virtually work with every device! You could carry it anywhere, even on the plane, streaming few movies on the flight!

The Fame-on® Hand-Free provides a great amount of power to support people with an increasing need to stay mobile. Whether it's working from the mobile office or streaming movie on the go, more power means less time spent searching for outlets.

Hand-Free

The Fame-on® Hand Free battery is also a smartphone holder! Conveniently hold your smartphone while making video call or video streaming in coffee shop. Of course, it's a must have for the game lovers!

Fast Recharge [input] – 2 ports

Plug your cable into the Fame-on® Hand-Free battery's micro-USB Qualcomm 3.0 input port to fast-recharge the battery at rapid rates, so it's ready to go when you are.

How fast?

Fully charge for The Fame-on® Hand-Free battery of 21,600mah in less than 6 hours*, using the micro-USB QC 3.0 & 2.0 port! Even more way to recharge? Of course, with your latest USB-C cable, you could recharge the Fame-on® Hand-Free with the USB type C 5V 2.4A port.

High-capacity Battery

This advanced 21,600mah or 77.76 watt hours rechargeable battery has enough power to keep all your devices charged as well as the ability to provide USB-C Macbook with up to 14 hours of extra battery.

Output Power – Charge up to 2 devices simultaneously

With two USB ports, you can virtually charge any devices you have with the Fame-on® Hand-Free. It features a fast charge for your device with Qualcomm 3.0 & 2.0 USB output port that allow you to fully charge a smartphone in 15 minutes with 7 hours of daily use! There is an additional high-output USB port (5V 2.4A) allows you to charge a second power-craving device simultaneously!

Share power | Share Connection

The Fame-on® Hand-Free battery is designed for users who need to charge 2 devices simultaneously, whether it's charging a smartphone and a tablet or 2 tablets at the same time, the choice is yours.

LED Power Indicator

Press the power indicator button to check battery levels. Know before you go and no more guesswork!

Hours matter

21,600mah battery delivers an additional 100 hours giving you the power to do more.

See additional hours broken down below:

- Smartphone: 100 Hours
- Large Smartphone: 75 Hours
- Small Tablet: 28 Hours
- MacBook (not including PD): 14 hours

The next generation of universal power

Whether it's an iPad, Kindle, iPhone, Samsung or some other tablet, smartphone, digital camera, USB powered toothbrush, bluetooth speaker, LED light, this The Fame-on® Hand-Free is the ultimate solution for any 5 volts, QC 3.0 & 2.0 smart-device and for every type of mobile power user.

*Using a Qualcomm Fast charge cable and charger

How to Recharging Your Fame-on® Hand-Free Battery

There is 2 ways to recharge the Fame-on® Hand-Free Battery

1. Using the USB-C port: Connect the USB-C port with the provided USB-C cable to a power source with a USB outlet, like the wall charger included with your USB-C device.
2. Using the Micro-USB port: Connect your Fame-on battery using the included micro USB cable. You can charge your Fame-on battery using your computer or using a third party USB wall adaptor. You can even use your iPad wall adaptor, which is the fastest method currently available.

Hand-Free How to know when it's fully charged?

The LED power indicator will blink when charging, as the Fame-on battery becomes more charged the LEDs will indicate how full it is, but one LED will remain blinking until completely full.

How to Charge your Device(s)?

IMPORTANT: Before using your Fame-on® Hand-Free battery for the first time, fully charge it (so that pressing the charge status button lights all 4 status LEDs).

Charge one device

Connect the supplied USB cable (or the cable that came with your device) to the Fame-on® Hand-Free battery and to your device. Press the status indicator button to begin charging.

Charging multiple devices

The Fame-on® Hand-Free battery has a total of 2 USB ports, and can charge up to 2 devices at the same time. One of the ports charges at speeds up to 2.4A and one port charges at speeds up to 5V 3A- 12V 1.5A. Press the status indicator button to begin charging.
